WE ARE MANIFESTS IRELAND

Formed in 2010, Manifests Ireland has been engaged in Customs declarations since inception. A joint venture between Conway Shipping, Doyle Shipping Group and Manifests Ireland, collectively bringing together one of the strongest customs resources in Ireland. Located in Dublin Port, Manifest Ireland have formed a Centre of Excellence at the frontline of the Customs border in Ireland's largest port.

OUR ACCREDITATIONS

We are an AEO accredited business.
We are also an Intertrade Ireland approved service provider. We are members of the Irish International Freight Association and training providers to Enterprise Ireland and Government agencies.

CUSTOMS CLEARANCE

Clearing goods from our closest trading partner has become an everyday reality. It is important to ensure that your business is prepared for these declarations and, when using a broker, to be certain they are being done correctly and in a Customs compliant manner. Our Managing Director, Derek Dunne has over 30 years experience in Customs declaration. Together with our team of experienced and knowledgeable brokers, we will assist your business in maintaining the highest standards of Customs compliance.

OUR SERVICES

- All types of electronic Customs declarations in both Ireland and the UK
- Transit movements
- Customs consultation
- Customs audit and training services

OUR VISION

At Manifests Ireland our people and planet are our passions. We are members of the All-Ireland Pollinator Plan and signatories of the UN Women's Empowerment Principles. We also work closely with our local community through our Biodiversity Garden, a project in conjunction with the East Wall Men's Shed.
